

NAM Flea Market

Saturday August 20, 2011

The annual flea market is a huge fundraiser for the school. It has been very successful in the past because of the dedication of the countless volunteers. This year we want to break all records and we need the help of **every School Family**. Give us at least an hour of your time. Let us thank those of you ahead of time who we already know we can count on for support.

We hope the youth of the parish participate as they have in the past. 4th graders and older can be put to work knowing they are helping their school.
